'Monkey around' at our

Family Fun Days

at Bristol Zoo Gardens

Summer 2022

Bristol
ZOO
Gardens

What better way to treat your guests than a day out visiting the world's 5th oldest Zoo. Say thank you while they visit over 300 different species of animals and explore the stunning gardens in our 12-acre visitor attraction.

Show your appreciation while barbecuing or picnicking and celebrating Bristol Zoo's last summer at their Clifton site. With a huge range of animals, beautiful gardens and many family-friendly attractions, Bristol Zoo Gardens offers you a versatile and unique venue for an extra special family fun day with a difference.

Family Fun Day

Arrive at your private entrance and enjoy all the sights and sounds of our serene surroundings via the network of footpaths that criss-cross the zoo and it's award-winning gardens and attractions. Visit the aquarium, the bug house, the lions or maybe the butterfly forest, monkey around on the adventure playground or enjoy a keeper talk or two. Then its time for your drinks reception and a delicious afternoon barbeque in the Clifton Pavilion before some more animal adventures or time in the splash play, the choices are endless, enjoy! Additional activities such as ZooRopia, children's entertainers, or animal experiences can be added to make your party the most memorable of days.

Bristol Zoo Gardens is part of a conservation and education charity that works to protect species and habitats, encouraging sustainable behaviours and perceptions, educating tomorrow's wildlife warriors and giving people a wonderful day out. By holding your event with us we are actually saving wildlife together.
